# RIVER DELL REGIONAL HIGH SCHOOL

## Profile 2022 -2023

### School and Community

River Dell Regional High School serves the northern New Jersey municipalities of Oradell and River Edge (combined population of 18,000). We are a socially and economically diverse community enriched by close proximity to the resources and cultural opportunities of New York City.

Our towns have a blend of recent immigrants from numerous geographical areas, second and third generation families, as well as families that go back to our colonial roots.

River Dell is proud of having residents who respect each others individuality and work together to maintain a high degree of interest in the quality of the educational process.

River Dell Regional High School is accredited by the New Jersey Department of Education. Parents, students, staff and administration all have a strong commitment to maintain high academic and ethical standards. River Dell has won Several Best Practice awards from the New Jersey Department of Education, for our innovative programs as well as being named a U.S. Department of Education Blue Ribbon School.
